Welcome to our Attendee Engagement Guide!

LEARN TO NAVIGATE THROUGH OUR MOBILE APP TO GET THE MOST OF OUR IN-PERSON SUMMIT.

Download the CVENT Events app from the App Store or Google Play.

Apple Store

Google Play Store

You can always access the app from your desktop:
https://cvent.me/ZV5MY3

To find the event, start by searching "20th Hawaii Summit".
Then click the download arrow when the event comes up

After you download the event, log in with **the same email** you used for registration.

When you log-in for the first time, the app will require you to insert a verification code. The verification code will be sent to the email you registered with, or a text will be sent to your cell phone if you included it in your registration. After this, you will only need a verification code after 24 hours of inactivity in the app.

IVAT Institute on Violence, Abuse and Trauma
HO'OMALUHIA IVAT
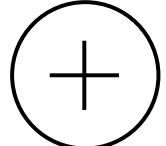

When you click on a session, you can find:

- Session location and time
- The session description
- Speaker's information
- Session feedback survey
- Session's media and documents.

You will only be able to see session surveys and documents for sessions you are registered for. If you do not see session documents, it may be because the speaker has not made them available. Session surveys will become available once the session has ended.

You can easily switch your sessions from the app. Click on the ⊕ next to the session you want to attend. You will then be prompted if you want to switch sessions.
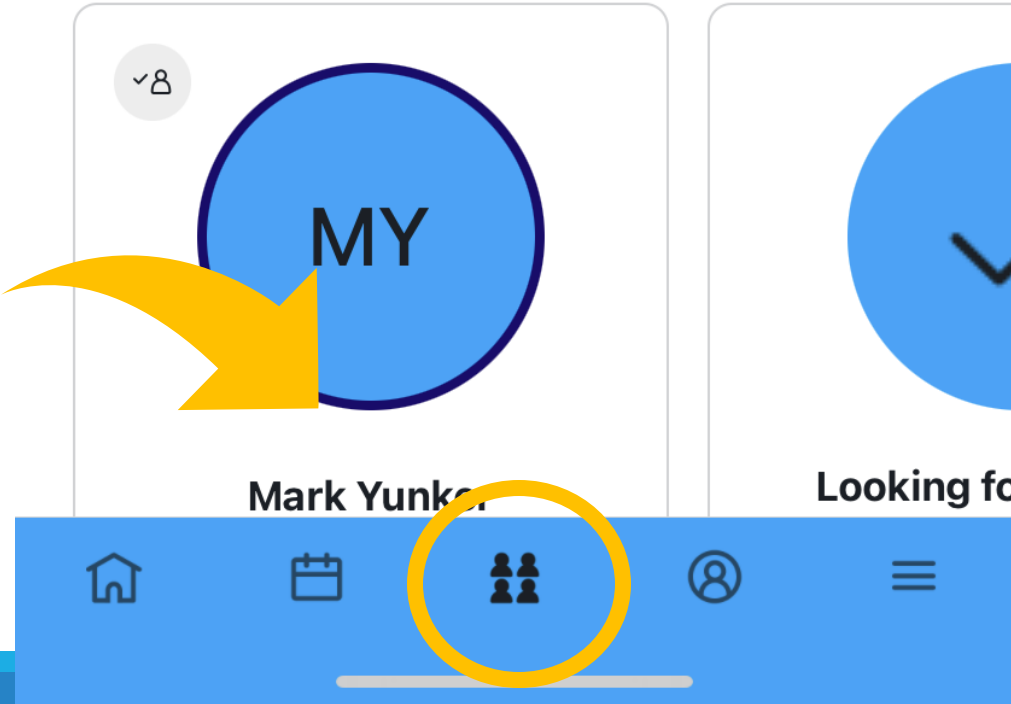

You can also easily connect with other attendees using our Community feature. Add other attendees to your Community and message them through the app while at the Summit.
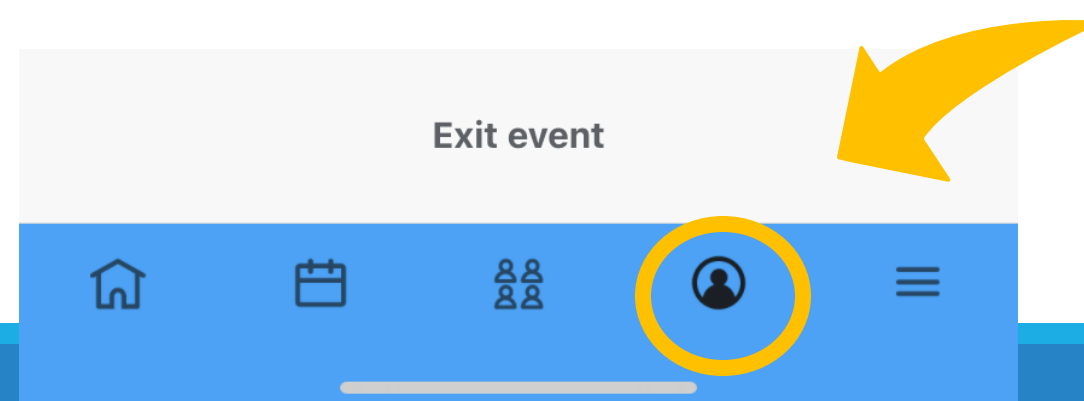

When you navigate to the "Profile" icon, you'll be able to:

- Edit your profile
- Access your QR code to scan into sessions
- Keep up to date with the latest Summit announcements
- View your Messages
- View your Networking Connections
- Fill out all your available surveys
- Update your settings
